## Product/Process Change Notification <Power Box Production Flexibility>

<b>Date:</b> 20220329	<b>ID Number :</b> PCN-210329-KB
<b>Affected Products</b>	Series C4AS, C4AT, C4BS, C4BT, C4BH, C4AE
<b>Change</b>	The affected products currently produced in the KEMET Pontecchio Plant will be produced in the Skopje, KEMET plant too. This Production Flexibility will be achieved without impact to product form, fit, or function as the products built in the Skopje location are equivalent to those currently built in Pontecchio with respect to performances, mechanical, quality and reliability characteristics. The new qualified location will comply with standardized control techniques, which meets stringent qualification testing to guarantee product performance.
<b>Justification and Benefits</b>	Such production displacement in Skopje plant will result in an enhanced capability to better support KEMET Customers
<b>Effective Date and Identification</b>	First shipments from Skopje shall take place on August 19 <sup>th</sup> 2022. Without acknowledgement of this amendment notification by July 19 <sup>th</sup> 2022 KEMET will proceed to implement the change as described herein. Production Plant will be Identified by mean CoO printed on the packing label. No other changes to appearance or label will be made.
