

Product Change Notification

TE Connectivity

Product Change Notification: P-18-015625

PCN Date: 19-MAR-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Power Interconnects&Signal Interconnects

Description of Changes
1.Cancel P-18-015488 and P-18-015489, New PCN will replace P-18-015488 and P-18-015489 2.TE is in process of implementing a change in packaging material of the products noted in this document to adhere with global environmental standards and governmental regulations to ensure uninterrupted packaging material availability. Future supplies will be packaged with bubble sheets, replacing the current foam packaging. This will be a running change over the period of one year, which shall result in mixed shipments until the tentative dates mentioned below.

Reason for Changes:
Product improvement.1.Make the PCN more clearly. 2.With TE s policy to abide by global and regionally instructed environmental guidelines, we are in process of changing the packaging of our products as described above. This measure also addresses the potential supply issues of packaging materials that TE may face in later date due wide acceptance of policy by industry and to ease out the constrains on recycling. The action is executed following a strict procedure, which guarantees no negative influence on quality, ability to supply and form/fit/function of the concerned products. All test was finished which guarantees the performance.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	20-MAR-2018
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	19-MAR-2019
