

## Microsemi Corporation

March 7, 2016

**Product Discontinuance Notification (PDN) No: 154377**

**Subject: Obsolescence of Multiple Voice Line Circuits**

### Description:

Microsemi is announcing the discontinuance of a number of older generation Line Circuit devices listed in Appendix A.

### Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and low forecast volumes.

### Customer Impact:

The devices listed in Appendix A are being removed from Microsemi's product offering and will no longer be available for order after September 5, 2016.

Orders for these products will be non-cancelable and non-returnable. There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

### Replacement Parts:

There are no pin compatible replacement devices. Devices similar in function are available from Microsemi. Please contact your local Microsemi Sales Office or the company web site for more information on these products.

### Last Order Date: September 5, 2016

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than September 5, 2016. No new orders will be accepted after this date.

Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline.

Microsemi Corporation  
One Enterprise, Aliso Viejo CA 92656 USA

**Last Shipment Date: March 7, 2017**

Please note that Microsemi will continue to ship last-time-buy orders as requested only through March 7, 2017. Product orders must be scheduled to ship no later than this date.

**Products Affected by this Discontinuance:**

Refer to Appendix A for the list of products.

Note: This is a list of Ordering Part Numbers (OPNs) as are found in product datasheets. Customers may track additional part number variants in their systems, so please consider this a base part list.
